Certified Safe: The Food Safety Achievement

The recent achievement in food safety at our school marks a significant milestone in our commitment to provide a healthy and safe dining experience for students. As we grabbed the Certificate for the best Food Safety Campus of our district ,

Mr Vinod kumar TS , Assistant Commissioner, Food Safety Dept,

Kollam handed over the prestigious certificate to our respected Chairman Dr K K Shajahan in the eminent presence of Mr Nazim Sain, Principal, NPS and Anju S, Food safety officer, Kollam. Highest safety protocols in health and hygiene have been expressed by Mr Vinod. Kumar T S in refining our students and staffs to lead a better healthy life style ahead. Through the implementation of rigorous hygiene standards and comprehensive training programs for students on behalf of Food Safety Club and Eat right program, our school has successfully reduced foodborne illness risks while enhancing the redemption to Junk food from the tiffins of students. Mrs Jismi, Mrs Sharmy, Mrs Preethi, the Food Safety Club In charge teachers made operational improvements, launched an educational initiative aimed at raising awareness about food safety among students. Presentations and interactive sessions held for students in recognising safe food handling fostered a culture of food safety education.

Wrap It Up: Commemoration of Scouting

National Scout Scarf Day was a vibrant celebration filled with spirit, and a sense of adventure. As the sun rises, the air buzzed with excitement at National Public School on 1st August. As Scouts and guides students gathered in the school ground , their scarves draped proudly around their necks. Our students instilled that scarves—often adorned with badges and symbols of achievement—represent not just identity, but also a commitment to values such as teamwork, leadership, and service.

In the Assembly , the aspiring generation honor the principles of scouting. Young leaders of Hindustan Scouts and Guides addressed the gathering, imparting wisdom and encouragement, while the little scouts and guides listen intently, their eyes gleaming with aspiration. The day transcends language and cultural barrier embodying the spirit of “One World, One Promise.”

Reading as a routine..

Dear Students and Parents,

A school is always a 'world in miniature', where one receives a training for life, where effective, meaningful and joyful learning takes place. It is here that we begin to learn our Lessons of life - to accept challenges, face competition, defeat and failure and rejoice at victory and triumph.

As we continue on our academic journey, I want to remind you all that success is not just about grades and marks, but also about the values and principles we instill in ourselves. In addition to focusing on your studies, I encourage you to explore your passions and interests through extracurricular activities and reading.

Reading is a powerful tool that can broaden your perspectives, spark your imagination, and help you develop empathy and understanding. I urge you to make time for reading and explore different genres and authors. Similarly, extracurricular activities help you develop important life skills such as teamwork, leadership, and communication. They also provide a platform for you to express yourself, build confidence, and make new friends.

By incorporating reading and extracurricular activities into your routine, you will not only become more well-rounded individuals but also develop values such as: Empathy and understanding, critical thinking and problem-solving, communication and collaboration, creativity and self-expression, perseverance and resilience.
